Product Code:

UV2112101

Selling UOM:

PK 100

Pack Size:

1

SPECIFICATION SHEET

UVEX HI-COM CORDED DISPOSABLE EARPLUGS

The innovative shape of the Uvex hi-com earplugs reduces the level of sound that normally builds up in the inner ear when wearing hearing protection. Integrated cavities result in a larger surface area in the direction of the eardrum. The earplugs provide softer acoustics and absorb disruptive noises – they also allow excellent speech perception.

General features

- Earplugs with low sound absorption and excellent speech perception
- Available colours: lime, fawn
- Version with cord

Protection features

- Meets standard EN 352-2 and the additional requirement "Warning signal hearing, general" (W)
- 24 decibels insulation H: 26 dB, M: 20 dB, L: 18 dB
